

Apple Pay

1. Open the Wallet app.
2. Select the plus (+) icon in the upper-right corner.
3. Align the card inside the frame to automatically detect the card number and expiration date. (If the card can't be detected, Select Enter card manually.).
4. Read the terms and conditions then select agree to confirm.
5. Select one of the following methods to authenticate your identity:
6. It will then ask to call the Bank of Hartington to verify your card.
7. Once we've verified your card, select Confirm to add your card to Apple Pay.
